M. Y. Lermontov. A Hero of Our Time.

This is my favourite book of Russian Classical Literature.
This novel have a new narrative structure for those time.
The work deeply analyzes the inside world of the characters,
their psychological state.

The protagonist of the work is Pechorin. He loves to play
the fate of people, He is very smart, nice, but ruthless. He fell
in love with a Mary specifically to provoke a duel with his
"friend" Brushnitsky, who loved this woman because he was offended.

I like that the main ~~aa~~ character is not a positive
character. We can judge his actions both from the words of
his acquaintance and from his own diary. It is interesting
to read to understand the subtle psychology of man.

My opinion about the book "Master and Margarita" by M. Bulgakov.

This summer I've read the book "Master and Margarita" which was written by the famous Russian writer Mikhail Bulgakov in the 20th century.

I've liked this book very much. First of all, I like the way M. Bulgakov wrote his book. Besides, the plot of the story is really interesting and breathtaking. The action takes place in Moscow. It starts on Patriarshie Prudi with the story of Ivan Berlioz and Voland, who predicted his death. But friend of Berlioz, Ivan Bezdomny wants to catch mystical man.

The book has several character lines, so it's extremely interesting to read part of book about Pontius Pilate.

In conclusion, I'd like to say that it's one of my favourite books now. So, if you like novels and Russian classic, I advise you to read this book.

My opinion about the book "War and peace" written by L.N. Tolstoy.

On my summer holidays I've read the book "War and Peace" written by ~~famous~~ the famous Russian writer L.N. Tolstoy.

I liked this book very much. First of all, I like historical ~~romances~~ ^{novels} very much. Second, I like ~~very much~~ ^{masterpiece} of L.N. Tolstoy. That book ~~was~~ ^{was} very interesting and intricate. In this book we can see life of ~~usual~~ ^{common} Russian people of the 19th century. The main character in this book is Andrey Bolkonskiy. He dreamed about world popularity like Napoleon.

The book has a lot of lyrics episodes. We learn how ordinary people lived.

To cut a long story short, Andrey Bolkonskiy was ~~at~~ killed by French bullet.

In conclusion, I would like to say that historical romances are my favourite genre.

"The Cherry Orchard" was written by Chekhov.
It is a classical drama.

The plot is simple and original. The cherry orchard owned by Ranevskaya is ~~set~~^{sold} which symbolized passing old generation in Russia.

The main characters are Ranevskaya, Anya, Lopakhin, Varya, Gaev. Everyone wants to keep the garden but Lopakhin wants to cut down it. Ranevskaya is sensitive and careless. She continues to spend money even when she has some problems with them. Anya is kind and she doesn't judge her mother. Lopakhin is a contradictory character. He is smart, hardworking but rude and hard-hearted.

I enjoy that book because it is very interesting and exciting. Chekhov is a great writer and all his works are readable.

I suppose that "The Cherry Orchard" would appeal to everyone especially who loves plays and I recommend to read that book to everybody.
