Dear Colin,

Oh, that's nice! Ok, so, let's start with the Christmas tree.

Usually, for my Christmas holidays, my family buys a big, green, real Christmas tree. It smells really good, you can feel yourself like in a forest! I recommend you to buy it as well.

My family and I have a lot of small toys, bows, stars, to decorate the tree. First, we put those tiny bows, of a red color. Then, we put on small angels on the tree. They're really cute! After that, we place our small glitter balls on the Christmas tree. Of course, we put on some rainbow lights, so the tree can shine bright, at the night time.

Ok, presents... Well, usually, parents give money to their kids, I don't really know how about the others, but my parents give me money, that I spend on things that I need, like for example, something that I'll need in the future, school materials, new clothes, etc. But of course, for the kids, we buy new toys, like... Uh... those fake guns called: "Nerf". Those kind of presents are put under the Christmas tree, or under the beds of the kids.

All the little kids, that believe in Santa Claus, write letters. It's really cute to see how much they like to believe in that he does really exist.

And I think, that's all for now... If you'll need help again, just message me, or send me a letter! I'll be always glad to help you.

Best wishes,
Sophia.

Dear, Colin

Thank you very much for your letter. I was very excited for your letter.

I always have a Christmas tree at home, because I think that without Christmas tree I don't have the Christmas mood. I decorate it with some sweets and also Christmas toys and of course Christmas lights.

The most popular presents with teenagers are maybe phones or some new things but most of them want some magic.

Children write letters to Santa Claus when they believe in him.

Christmas presents put under the Christmas tree.

And what about you? Do you like to decorate a Christmas tree? What the last presents were you given? Do you believe in Santa Claus?

With love and sincerity, Anne.
