Last summer I read a book which called "Gроза" written by famous Russian writer Ostrovskiy. The book tells us story about a woman which has a husband and lives in his house with his family. Her name is Katya. No one likes her in this house, even her husband doesn't give her any attention. That is why she is really unhappy. Then she met a man, his name is Boris. She talks to him for a while and fall in love with him. She understands that Boris will make her happy, but she doesn't want to betray her husband because it's a sin for her. After a lot of thinking she decides to kill herself because she can't betray her husband and can't live with Boris. I like this book because it's short and still really interesting. I recommend this book to everyone.

11 I want to tell you about "Dubrovsky", is a Russian novel, which written by Alexander Pushkin. Main story tells us about young nobleman Vladimir Dubrovsky, who had lost his land because of K. Troekurov's cheating. Troekurov is a powerful aristocrat and enemy of the Vladimir's father. Dubrovsky tries to revenge him and get justice. He pretended as a Frenchman and infiltrated Troekurov's family. Along the way Vladimir Dubrovsky fall in love with Masha, Kirilo's daughter. Unfortunately, the story has tragic final, but I will not say what is.

Now let me to tell you about main characters of the novel. First of all is Vladimir Dubrovsky - nobleman, who want to revenge, but he does it with honor. Kirilo Troekurov is an old aristocrat, who confiscated Vladimir's land. And, as for me, the third main character is Masha, she changed Vladimir's destiny and became a reason of his life changes.

I highly recommend that novel, because, thank to it, you can immerse plung into the nineteenth century and be a spectator of the story.

As for me, "Kapitanskaya Dochka", which was written by our famous writer "A.S. Pushkin", is one of the ~~most~~ best books in Classical Russian Literature. It's a novel, where the plot centers around the big love between two people, around love to the Fatherland. All actions happen in a period of time, called Pugachevshchina. The main character Petr doesn't betray his Fatherland and saves his lovely girl Maria, who was in danger <sup>cos of her family</sup>. I enjoy reading this story from time to time because it shows us how big ~~may~~ can be the power of love. This book would appeal to people, who can understand it.
