Dear Colin,  
Thank you for your last letter. You asked me about Christmas. Well, we usually put a Christmas tree in <sup>the</sup> living room and decorate with many different things like colourfull balls, <sup>by present</sup> candy stars and snowflakes. Mobile phones are the most popular <sup>by present</sup> with teenagers. Small children write letters for Santa Claus, but teenagers don't do that, they ask for presents their parents. We put Christmas presents under Christmas tree.  
How <sup>will you</sup> will celebrate this christmas? How are you? When will you come?  
Best wishes,  
Yours, Daniel.

Hello, Colin! I got your letter and I'm ready to give an answer. I think you're understanding that Russian people like to celebrate New Year more often, than Christmas, but some people do it. Celebrating of Christmas is not so popular because in a beginning of 20th century. Russian people didn't believe in a God because in that time were serious politic changes in a country.

In a houses of Russian people have a Christmas tree, because it staying after the New Year, and home decorating too. Children write letters to Santa at the New year, not at the Christmas. Most popular present to whole people is a money, but some people give other gifts, people take this gifts under Christmas tree.

Good bye, dear Colin.

Dear Colin,

Thank you I have received your letter. Sorry I didn't write for a long time because I was preparing for my exams. Well you ask me DO I usually have a Christmas tree at home and how I decorate it. I have a Christmas tree every year and every year tree very beautiful because it is symbol of celebration. On the Christmas day very popular to give presents to friends and parents. I think that the most popular present with teenagers is a good friend or something technical thing. Today a lot of children write letters to Santa Claus. It is very good tradition and people in one day in the year to start believe in magic. Always on the Christmas day presents to put there are under the Christmas tree.

Sorry, I must finish my letter because I should help my mum about at home.
