WRITING

I can recommend the book "Kolobok". It's a fairy tale about an old married couple who were sad because they ~~didn't~~ didn't have any children. And so they decided to make a one ~~in~~ from a ~~small~~ bread, and called him Kolobok. Suddenly, Kolobok left them and start having adventures. He tricked animals who wanted to eat him - rabbit, wolf and bear. But when he met fox she tricked him instead and ate.

This story teach us about family and how important it is for children to listen their parents and never leave them, or you might put yourself in a serious danger, or even die.

$$2 + 1 + 1 + 0 + 1 = 50.$$
