Dear Colin,

Thank you for your letter. I was so glad to received it

I can say that I like Christmas and New Year very much and I tell you about this holidays with great pleasure. As for my family we decorate our house and a Christmas tree every year. It is my favourite activity. Also I like give different presents to my parents and friends and of course get presents from them. My mom and dad often put presents under a Christmas tree. I am 14 years old but I write letters to Santa Claus every year because I believe in New Year magic.

Goodbye,

Your Nastya.
