WRITING

I'd like to tell you about one of my favourite book.

We read this book in tenth form. It was written by famous Russian writer Fyodor Dostoevskiy. He called this book "Prestuplenie i Nakazanie".

~~There was one person (his name is Rodion Raskolnikov) who had his own theory. Raskolnikov wanted to know who he is. For checking it, his theory, he decided~~

There was one person Rodion Raskolnikov who had his own theory. Raskolnikov wanted to know who he is. For checking this theory he decided to kill old woman, but his plan is absolutely crushed. Also he killed another woman and then he was arrested.

I decided to tell you about exactly this book because it will help teenagers understand adults' world. I hope this book will inspire you to do all better because then you'll get the better result. And don't forget that punishment will find you no matter what!

One of most great Pushkin's thrilling poem is "Dubrovskiy". I've read it last month. This composition was written in the 19th century. It's classical Russian Literature for schoolchildren.

I liked the plot most of all. Main characters of this poem are Mary, daughter of one rich man, Dubrovskiy, young man, who loved Mary. Mary's father hated Dubrovskiy's father and he didn't let Mary to ~~be a wife~~ <sup>marry</sup> get married her with Dubrovskiy. There was a war between their families. Mary's father bought Dubrovskiy's village, while son was in army. His father was sick and when he left home, he died of a very hard cold. Dubrovskiy killed Mary's father and became an owner of her village. It was a revenge.

I would recommend this poem everybody. It appeals to me. I think a lot of children will enjoy ~~to reading it~~ reading it.

WRITING

On my literature lessons I've just read a wonderful book by A.S. Pushkin. The book is called "Eugeny Onegin". I think everyone should read it. All educated people from all over the world know this book.

This book is a poem. It was written in the 19<sup>th</sup> century. But even nowadays this book is interesting for people. The plot is clear and nice. This is a beautiful love story of two people who loved each other. But at first being together was impossible because of the pride of Eugeny, the main character. I don't think I should tell you what was the end of this book. But I promise that you will enjoy every page ~~we~~ you will read.

There are also a lot of interesting characters in this book. The main of them are Tatiana, her sister Olga and Lensky, the poet who was in love with one of the sisters.

I like this poem very much. It is fascinating, well-written and the love story is really wonderful. I also like it because this book makes me thinking about the main things in my life such as my nearest and dearest my family and etc. It would appeal for all of you. It is nice for both girls and boys.

This book is really worth reading. Wish you good luck with finding new books.

## Review.

Classical Russian Literature is very rich. I want to tell you about one of its books.

In the seventh grade ~~our~~ schoolchildren are learning such book as "Vasily Terkin" by A.T. Tvardovsky. It is a patriotic book, which was written during the whole Great Patriotic War. The story tells about a brave warrior. His main characteristic is his optimistic mind. He always stays happy and he can't stop smiling. During the book there are a lot of events in which he behaves himself like a brave warrior. He loves his country and in any situations contributes himself for the future of Russia.

I ~~recommant~~ recommends you this book because it is full of stories in which you can see how people lived in the times of war. You can see the spirit of Russian warriors. I'm sure that it is great book.
