Dear Colin

I'm sorry that I didn't read your letter a lot of time. I was in Scotland.

I like winter and Christmas. Every year my mother bought big tree and I like decorated it. I like decorated it for meal, for example, sweets. It is looking amazing and interesting!

The most popular presents with teenagers are interesting books and phones. I would like fantastic book.

Children write letters to Santa Claus. They write about presents, because they want different presents: dolls, cars, books and money.

Christmas present put under tree.

With best wishes,  
Lopino Polina

Dear Colin, It has been a long time since I wrote to you. How is life?

To answer your questions, ~~Yes~~, we have a Christmas tree at home and of course we decorate it. First of all, we adding the lights. We choose the strand color that matches our ~~the~~ tree, usually is green and red colors. After that we choose garlands and ornaments. I think the most popular gifts are gadgets. Every teen will be happy to get a new headphones or smartphone. Yes, ~~the~~ children write letters to Santa Claus, but most of them know, that they parents will present gifts. Always gifts put under the Christmas tree. Good luck with the project.

Looking forward to meeting you soon.
