Hi everyone! I want to write here about one of my favorite books of Classical Literature - 'Youth' by Leo Nicolaevich Tolstoy. It is a story about a usual Russian boy - Nikolenka Ilyin. This collection consists of 3 parts - 'Childhood', 'Youth' and another one. It shows us how a little child grows up and becomes a real adult, how he reacts on everything around him.

I like it because I can associated myself with the main character, because I'm a teenager too and all these "teen-problems" you can find in my life.

The book appeals to every young human who wants to understand how this strange world works. I can say 'Youth' by Leo Nicolaevich Tolstoy is worth reading!

My opinion about the book "The Master and Margarite" by M. Bulgakov

Last year I've read the book "The Master and Margarite", which was written by the famous Russian writer of the 20th century Mikhail Bulgakov. It is a novel.

I liked this book very much, because this novel makes you look differently at many simply things. This story begins in Moscow, on Patriarch Ponds. ~~The~~ Devil Voland and his company make ~~into~~ a chaos in the city. Margarite tries to find her love, Master, but for this she needs Voland's help. This is a story about true love and after reading this novel everyone understands that true love is never die and sometimes devil can be better and more merciful than God.

I think that everyone needed to read this book because in "The Master and Margarite" we can see different life situations for our experience and future.

If you love novels, I advise you to read this book. I'm sure you'll get a great pleasure.

I am going to write a few words about a story I have recently read. The story is written by the well-known Russian writer of the N.V. Gogol the century 19. The title of the story is "Inspector General". It is a comedy. The plot of the book is incredibly interesting. The book tells us about a man who checked the city. There are some humorous episodes in the book. I couldn't help smiling while reading it. To cut a long story short, everyone learned that the Inspector General was not real, but the real Inspector General was still driving. On the whole the book is good. It is worth reading. If you like comedy, I advise you to read it.

I am going to write a few words about a story I have recently read. The story is written by the well-known Russian writer of the 20th century M.A. Sholokhov. The title of the story is The fate of a man. It is a tale. The plot of the book is incredibly interesting.

The book tells us about Andrey Sokolov who has managed to maintain his resilience, despite the severe wounding, capture, flight, death of the family. There are some tragic and thrilling episodes in the book. I couldn't help feeling sad while reading it. To cut a long story short, Andrey Sokolov adopted a small boy. On the whole, the book is good. It is worth reading. If you like tales, I advise you to read it.
