The Story

by L.N. Tolstoy. "After the Ball" is about 2 different accidents. Ivan Vasilevich is the main character. He was the witness of them. These events changed all his life.

He was very young. Suddenly he remembered the Ball which had happened in his life. A very beautiful music, bright colours of it made him feel happy. Ivan Vasilevich became the witness of cruel happy fight of main hero's father. The main idea is to be responsible for all things which had happened in your life. It is a very interesting story!

Now I want to give a talk about "Classical Russian literature for school children. Some days ago I have to read a book by N. V. Gogol, "Nose". This book kind of a fantastic genre and have a ~~to~~ some realistic and ironic things.

~~This~~ I was expected that it will be strange and funny because Gogol ~~is the~~ ~~has the~~ same of the author. Actually, this book about a man who had everything but because of his selfish he had lost everything and nose. I think author wanted to say ~~about~~ ^{about} people ~~to~~ people who don't pay attention on others, they think only about myself. ~~B~~

But what about ~~the~~ his nose... he made into a person and live in a good relationships with community.

Honestly, I like it because this story has a lot of ~~necessary~~ gives us a lot of important things and examples.

I want to ¹⁴⁹ recommend this book. I'd appeal to everyone because every person has his own mind and thoughts, so it can have different opinions about the book. Besides, I think this book is very educational and will have a good influence on people.

This summer I have read a book "Kapitanskaya dochka" which was written in 18th century by famous Russian writer Alexander Sergeyevich Pushkin.

The kind of book is historical novel. The action takes place in Belogorskaya krepost. In 18th century in Russia was a Pugachev, he wanted to attack king's power and became a king. I like these books because it's very interesting. I would recommend these for all peoples who like the history of Russia. "Kapitanskaya dochka" is a very popular book in Russia, because she included many interesting characters. For example, Pavel, Maniga, dad of Pavel.

Well, I would like to tell you about book Puskins "Eugenie Onegin". I think it's a powerful novel about love. The main characters are Tatyana and Eugene. The plot of this book is richly detailed. Tatyana told to Eugene about her great love, but man thought that it was a joke. He played with Tatyana's feelings. Comes to the end Eugene understood his mistakes, but he couldn't do nothing with this situation. Tatyana already had husband. But she loved him. It difficult to put this book down. I highly recommend the book to teenagers. In their ages it can be first love. After reading they can understand love and find some new facts about love and the meaning of love. I like this book so much, because I prefer novels about love. I can find some interesting facts on it
