Dear Colin,

Thank you very much for the letter. I was very glad to receive it.

In your letter you write about your project on Christmas celebrations. Well, I do a lot of projects in my school too. The last was about ecological problems in our village. It was very interesting work.

As for Christmas, at home we usually have a Christmas tree. We decorate it with different toys, sweets and nuts. My favourite toy is a small apple. It was my mum's present for me when I was a little boy. Now I like to receive different gadgets on Christmas. I think, all teens like it. Of course, I and my friends don't write <sup>to</sup> letters to Santa Claus, but we like to find present under Christmas tree.

Sorry, I have to do my homework now. Write me soon.

Best wishes,  
Dennis

Dear Colin,

Thank you for your letter. It was great to hear from you again. Sorry, I haven't written for so long, but I have been busy. You ask me <sup>about</sup> Christmas celebration in Russia.

Well, we have a Christmas tree. We decorate it with balls and toys. In Russia most popular presents with teenagers are phones. Russian children write letters to the Father Frost. Parents put presents at the tree in the night. I like Christmas very much.

Sorry, I have to go now. I've a lot of homework to do. Looking forward to hear from you soon.

Best wishes,  
Anastasiya

Dear Colin,

Thank you for your letter. I was happy to hear news from you.

You ask me about Christmas. Well, we like to celebrate Christmas! We have a Christmas tree at home and we decorate it with lights, different plastic balls (red, blue, green, purple), sometimes we decorate it with some plastic animals (bears, birds) and bows.

The most popular presents with teenagers is candies, chocolate, some things like different toys, telephones and so on.

Some children write letters for Father Frost (<sup>he is</sup> like Santa for us), but some don't do it because they don't know about letters for him and just talk about their wishes to their parents.

After Christmas night presents are put under Christmas tree.

I think your project will be very interesting!

Best wishes,

Oleg.
